

# Admissions Guide Summary ①

## 【Applicant Qualifications】

4<sup>th</sup>-year undergraduate students who expect to graduate from the university in AY2017

## 【Schedule】

Summer [for September 2017 and April 2018 enrollment]

- Application period: June 6 – 12, 2017
- Written examinations: July 8, 2017
- Oral examination and an Interview: July 8, 2017
- Announcement of the Results: July 21, 2017

Winter [for April 2018 enrollment]

- Application period: December 18, 2017 – January 9, 2018
- Written examinations: January 27, 2018
- Oral examination and an Interview: January 27, 2018
- Announcement of the Results: February 2, 2018

## 【Applications】

Entrance in September, 2017 or April, 2018

## 【Examination】

### ▪ **Written Examinations (90 min)**

- ▶ Choose 1 subject from each Groups A and B  
(Choose 2 subjects in total)

### ▪ **Oral Examination and an Interview**

- ▶ Presentation and Q&A
- ▶ Talk about reason for application and current research

#### Group A

Physics I (Mechanics),  
Chemistry I (Thermodynamics •  
Chemical reaction theory • Chemical  
equilibrium theory),  
Bioscience I (Cell biology),  
Electrical and electronic science I  
(Electromagnetics)

#### Group B

Physics II (Quantum mechanics),  
Chemistry II (Inorganic chemistry •  
Organic chemistry),  
Bioscience II (Molecular biology),  
Electrical and electronic science II  
(Circuit theory)
